

Booster Club

Year after year, Global Country supporters have showed their dedication to the Foundation and to country music with donations and countless volunteer hours. The funds collected have gone to support Global Country in its efforts to preserve the history of country music and develop new talent.

Over the past few years Global Country has surpassed it's goals to give country music the attention it's deserved from successfully assisting with hosting Country Music Week 2000 & 2004 to presenting new talent with it's Rising Star Program to introducing a new Country Concert Series. All this could not have been done without the many contributors, supporters and volunteers who have and continue to believe in our cause. But most of all, our **Booster Club Members**, who have came on board and became part of our team. We are most grateful.

A **donation of \$25 or more** to Global Country will make you a Global Country Booster Member entitling you to a **membership card, tax receipt and a monthly newsletter**. Along with this, your name will be added to our ever growing "**Book of Names**" created by Global Country to keep a record of all of those who have contributed to Global and it's initiatives.

We ask you to consider becoming a "Booster Member" and help us achieve the many goals that we still have to accomplish. I hope you will take the time to read our newsletter and learn about what we are up to. If you like what we are doing, we need you with us!

Please take the time to show your support and help keep country music alive!

Return donations by mail to:

402 Energy Square, 10109 – 106 St., Edmonton, AB, T5J 3L7

Or fax credit card donation to: **(780) 497-7289**
